

completed age-based withdrawal request, Form TSP-75 or TSP-U-75, or use the TSP Web site to initiate a request. A participant's ability to complete an age-based withdrawal on the Web will depend on his or her retirement system coverage, marital status, and whether or not part or all of the withdrawal will be transferred to an eligible employer plan or traditional IRA.

**§ 1650.42 How to obtain a financial hardship withdrawal.**

(a) To request a financial hardship in-service withdrawal, a participant must submit to the TSP Service Office a properly completed financial hardship withdrawal form, Form TSP-76 or Form TSP-U-76, or use the TSP Web site to initiate a request. A participant's ability to complete a financial hardship withdrawal on the Web will depend on his or her retirement system coverage and marital status.

(b) There is no limit on the number of financial hardship withdrawals a participant can make; however, the TSP will not accept a financial hardship withdrawal request for a period of six months after a financial hardship disbursement is made.

**§ 1650.43 Taxes related to in-service withdrawals.**

(a) When an in-service withdrawal is paid directly from the TSP to a participant, the money is taxable income in the year in which the payment is made (except contributions from pay subject to the combat zone tax exclusion). However, a participant does not pay taxes on an age-based withdrawal that the TSP transfers directly or the participant rolls over to a traditional IRA or an eligible employer plan until the money is withdrawn.

(b) An age-based in-service withdrawal from the TSP is an eligible rollover distribution, and a participant may request the TSP to transfer all or a portion of an age-based in-service withdrawal to a traditional IRA or an eligible employer plan, consistent with § 1650.25. If the withdrawal is not transferred, it is subject to mandatory 20 percent withholding. The participant may increase the amount of withholding by submitting IRS Form W-4P, Withholding Certificate for Pension or

Annuity Payments, to the TSP with the withdrawal request.

(c) A financial hardship in-service withdrawal from the TSP is not an eligible rollover distribution, and a participant therefore may not request the TSP to transfer a financial hardship in-service withdrawal to a traditional IRA or an eligible employer plan. A financial hardship in-service withdrawal is subject to 10 percent withholding. The withholding is not mandatory; the participant may either avoid the withholding or increase the amount of withholding by submitting IRS Form W-4P, Withholding Certificate for Pension or Annuity Payments, to the TSP with the withdrawal request.

**Subpart F [Reserved]**

**Subpart G—Spousal Rights**

**§ 1650.61 Spousal rights applicable to post-employment withdrawals.**

(a) The spousal rights described in this section apply to full post-employment withdrawals when the married participant's vested TSP account balance exceeds \$3,500, and to partial post-employment withdrawals without regard to the amount of the participant's account balance.

(b) The spouse of a CSRS participant is entitled to notice when the participant applies for a post-employment withdrawal, unless the participant was granted an exception under this subpart to the spousal notification requirement within 90 days of the date the withdrawal request is processed by the TSP. The participant must provide the TSP record keeper with the spouse's correct address. The TSP record keeper will send the required notice by first class mail to the spouse at the most recent address provided by the participant.

(c) The spouse of a FERS or uniformed services participant has a right to a joint and survivor annuity with a 50 percent survivor benefit, level payments, and no cash refund based on the participant's entire account balance when the participant elects a full post-employment withdrawal. The participant may make a different withdrawal election only if his or her spouse waives the right to this annuity.
